

Attorney Docket No. 051252-5116
Application S.N. 09/813,912

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

Perry R. CZIMMEK

Application No.: 09/813,912

Filed: March 22, 2001

For: METHOD OF CONTROL FOR A SELF
SENSING MAGNETOSTRICTIVE
ACTUATOR

Group Art Unit: 2834

Examiner: J. Jones

Commissioner for Patents
Washington, D.C. 20231

Sir:

REQUEST FOR APPROVAL OF DRAWING CHANGE

Subject to the approval of the Examiner, it is respectfully requested that the originally filed Figure 2 in the above-identified application be corrected in accordance with the attached Figure 2. The proposed revisions are highlighted in red. No new matter is believed to be entered by entry of the drawing corrections.

Applicants request approval of the proposed drawing revisions. Upon approval by the Examiner, Applicants respectfully request abeyance of corrected Formal Drawings pending a Notice of Allowance.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS
